VP 6.5.0 Doc Plan

Overview

Note: The scope of this Doc Plan is subject to change based on the product decision to pull features in a minor release, for example, 6.4.1 or add additional PIs in 6.5.

- Use this query to find the list of stories that Pubs commits to covering for VP 6.5.0:
    - fixVersion = "Platform 6.5.0" AND type = Documentation Label = "PI1"

Documentation Effort

This effort is based on the Beginner's Guide to SAFe...#Stack-Ranked-list-of-PI1-Epics

Administration Guide

Pubs team is committing to completing these stories in the 6.5.0 time frame.

Feature Jira Link	Doc Story Link	Writer	Status	Notes
